Due time will be set aside for an induction. The induction will include running through Club's rules and routines and introducing your child the staff and other children. Another child

will usually be allocated to act as your child's buddy for the first few sessions. See our **Child Induction Policy** for more details.

Arrivals and Departures

A Daily register is taken when children arrive in our care, and you must sign your child in each day on arrival and out each day on collection. Also we ask for you to provide us with an emergency contact number for that day, in case we need to get in contact for any reason. We expect that your child will normally be collected by the people you have named on the registration form. If you need a different person to collect your child on a particular day, you must notify us in the morning and provide a password so we can confirm it is the correct person collecting. We will not release your child into the care of a person unknown to us without your authorisation. See our **Arrivals and Departures Policy** for more details.

The club is open from **8am-6.00pm**. Feel free to drop your child off and collect them at any time in between these hours. The club closes at 6.00pm, if for any reason you are delayed and will be later than this time, please contact the Play in Ltd contact number to inform us. There is a late collection fee of **£5 for each staff member for every 5 minutes after 6.00pm** to cover the costs of the staff who are legally required to stay and supervise your child.

If your child remains uncollected after 6:30pm and you have not warned us that you will be delayed (and we have been unable to reach you or any of your emergency contacts), we will follow our **Uncollected Children Policy** and contact the Social Care team.

Child Protection

We are committed to building a 'culture of safety' in which the suspicion of abuse is promptly and appropriately responded to. We comply with local and national child protection procedures and ensure that all staff are appropriately trained. For more details see our **Safeguarding Policy**.

Equal opportunities

Our Club provides a safe and caring environment, free from discrimination, for everyone in our community including children with additional needs.

- We respect the different racial origins, religions, cultures and languages in a multi-ethnic society so that each child is valued as an individual without racial or gender stereotyping

- We will challenge inappropriate attitudes and practices
- We will not tolerate any form of racial harassment

Special Needs

We make every effort to accommodate and welcome any child with special needs. We will work in liaison with parents or carers and relevant professionals to fully understand your child's specific requirements. We will endeavour to accommodate all abilities, whilst working within limitations. Each case will be individually assessed to ensure everyone's safety. Our staff training programme includes specific elements relating to children with special needs. For more details on equal opportunities and special needs, see our **Equalities Policy**.

Key Person

We provide all reception aged children with a key person. The role of the key person is to help your child to settle in at the Club, and to ensure that our care is tailored to meet the individual needs of your child. If you have any problems, concerns or achievements that you would like to discuss with the Club, please speak to your key person in the first instance. If you ever need to access specialist support for your child, your key person will help point you in the right direction.

Behaviour (children)

Children and staff have created rules for acceptable behaviour whilst at the Club. These are displayed at the Club for everyone to see. We have a clear **Behaviour Management Policy**, a copy of which is distributed to all parents and carers. The Club promotes an atmosphere of care, consideration and respect for everyone attending: children, staff and visitors. We encourage appropriate behaviour through: praise for good behaviour; emphasis on co-operative play and sharing; talking to children with the courtesy that we expect from them and engaging children in positive activities. The Club has procedures for dealing with unacceptable behaviour. We recognise that unacceptable behaviour can occur from time to time for reasons that are not always evident. We will try to be flexible in order to accommodate such cases. However, if your child is violent, or if their behaviour poses an immediate danger to themselves or others, we will require you to collect them from the Club immediately. In exceptional circumstances, and only when all other attempts at behaviour management have failed, we reserve the right to permanently exclude a child from the Club. See our **Suspensions and Exclusions Policy** for full details.

Behaviour (adults)

We will not tolerate from any person, whether a parent, carer or visitor: bullying, aggressive, confrontational or threatening behaviour, or behaviour intended to result in conflict. Our Club is a place of safety and security for the children who attend and the staff who work here, and we reserve the right to ban anyone exhibiting inappropriate behaviour from our premises. See our **Aggressive Behaviour Policy** for more details.

Illness

We are unable to care for children who are unwell. If your child becomes unwell whilst at the Club we will contact you and ask you to make arrangements for them to be collected. Please inform the Manager of any infectious illness your child contracts. If your child has had sickness or diarrhoea please do not send him or her to the Club for 48 hours after the illness has ceased. See our **Illness and Accidents Policy** for more details.

Accidents and First Aid

Every precaution is taken to ensure the safety of the children at all times, and the Club is fully insured. Our staff are trained in first aid and a first aid kit is kept on the premises. If your child has an accident whilst in our care, you will be informed when you collect your child. For full details see our **Illness and Accidents Policy**.

Medication

Please let the Manager on site know if your child is taking prescribed medicine. If your child needs to take medicine whilst at the Club you will need to complete a **Permission to administer medication form** in advance. See our **Administering Medication Policy** for more details.

Complaints Procedure

If you have any queries, comments or need to discuss any matters concerning your child, please feel free to speak to the Manager in private. Verbal complaints will be brought to the next staff meeting for discussion and action. All written complaints will be acknowledged within five working days of receipt and a full written response will be given within 28 days. A full copy of our **Complaints Policy** is available on request.

Intimate Care

When providing intimate care we will ensure that the child's safety, dignity and privacy are maintained at all times. 'Intimate care' covers any task that involves the washing, touching or carrying out a procedure to intimate personal areas and is associated with bodily functions and personal hygiene, including, toileting, washing, dressing, and menstrual care. Wherever possible, staff will not carry out intimate care unless absolutely necessary and will encourage the child to do it themselves, to avoid any unnecessary action from staff.

The child's parents will be contacted before any intimate care is given. Along side this the child themselves must give staff consent to assist them. When intimate care has been given to a child, staff will complete an **Intimate Care Record**. If the child refuses assistance then the on site manager will contact their parents to come and collect or change them. In each setting there will be at least one trained early years professional or on site management that will support the child. There will always be two members of staff present while giving intimate care support. One staff member assisting the child and the other in sight. There will not be two staff members assisting unless explained in the child's intimate care plan.

When intimate care is given, the member of staff will explain to the child each task that is carried out, and the reasons for it. Staff will encourage children to do as much for themselves as they can.

If a child requires intimate care on a regular basis due to their age, ability or a medical condition we will ask parents to fill in an **Intimate Care Plan**. It is good practice for two members of staff to share the care between them. In this way the child is less likely to become overly dependent on a single member of staff, and to become distressed if their usual carer is occasionally unavailable. However, parents views on the number of staff providing personal care to their child will also be taken into consideration - some children may simply be unable to cope with more than one carer.

Missing Child

At Play in Ltd we are always alert to the possibility that children can go missing during sessions. If a child cannot be located, the following steps will be taken:

- All staff will be informed that the child is missing
- Staff will conduct a thorough search of the premises and surrounding area
- After 10 minutes the police will be informed. The manager will then contact the child's parents or carers
- Staff will continue to search for the child whilst waiting for the police and parents to arrive
- We will maintain as normal a routine as possible for the rest of the children at the Club
- The manager will liaise with the police and the child's parent or carer

The incident will be recorded in the **Incident Log**. A review will be conducted regarding this and any other related incidents along with relevant policies and procedures. We will identify and implement any changes as necessary. If the police or Social Care were involved in the incident, we will also inform Ofsted.

Pledge to Parents

We value our relationship with parents/carers and are committed to working in partnership with you to provide top quality play and care for your children. We will:

- Welcome you at all times to discuss our work, have a chat and take part in our activities
- Keep you informed of opening times, fees and charges, programmes of activities, menus, and procedures
- Be consistent and reliable to enable you to plan with confidence
- Listen to your views and concerns to ensure that we continue to meet your needs and peace of mind
- Share and discuss your child's achievements, experiences, progress, and friendships
- Be available to discuss decisions about running the club
- Ask your permission for outings and special events

Preparing for Holiday Club

What to bring to the club:

- Healthy packed lunch with children's name on (including extra snacks if they require them)
- Water bottle with children's name on
- A bag of spare clothes (for personal accidents or in summer-water fights!)
- Weather appropriate clothes e.g sunhat/scarf/gloves for outdoor activities
- Sun screen if they have sensitive skin

What not to bring:

- Mobile phone/tablet/technological equipment or toys
- Cameras
- Valuable items
- Expensive/new clothes
- Money

What to wear:

The children at Play in Hallam will be involved in a range of indoor and outdoor activities so we ask that you prepare your child for all weather conditions.

Comfortable clothes appropriate for sports/games/the odd paint splash should be worn. On days where we provide certain extra curricular activities we may ask for

certain items of clothing to be worn or brought in, in order to allow your child to join in.

Suncream:

Please apply sunscreen on your child prior to bringing them to the club. Even when it isn't sunny, the UV rays can be strong and therefore suggest you do this even if it is not a sunny day. We ask you to sign a consent form as part of the registration pack for us to apply sunscreen to your child, but if they are sensitive to certain sunscreens we suggest that you bring sunscreen to the club. Ideally if you apply sunscreen which provides all day protection prior to your child coming to the club, that would be much appreciated.

Food: packed lunches and healthy snacks

For the children's main meal we ask for parents to provide a healthy packed lunch with the child's name on. If you would like to include extra snacks within this for your children, feel free to do so. We promote healthy eating within the club, we kindly ask parents to stick to our healthy eating policy by providing healthy meals and snacks. If we feel the pack lunch is unhealthy we will have to raise this concern with parents during collection.

PLEASE BEAR IN MIND THAT WE DO NOT HAVE ANY REFRIGERATION FACILITIES TO STORE PACKED LUNCHES, therefore we ask for the lunch boxes to be self cooling or for parents to provide an ice pack to keep food fresh for food hygiene purposes.

Each day we will also provide healthy snacks in the morning and afternoon. These include:

- Crackers with healthy fillings
- Fresh fruit & vegetables

Fresh water will be available at all times.

NUT-FREE Zone:

We are a **NUT-FREE** and all packed lunches must **NOT** contain nut based products or anything that states may contain nuts. Indicating this is unsuitable for club consumption.

Packaging must be checked for:

- Not suitable for nut allergy sufferers
- This product contains nuts
- This product may contain traces of nuts
- This product was made in the same factory as

Staff will check lunch boxes each day and will ask children not to open/eat items that state any of the above on the packaging. This item will be replaced with a healthy alternative.

We ask parents to notify us regarding any special dietary requirements or allergies when they register their child. Information regarding food allergies is recorded on the Allergy Information Board which is visible to staff whilst food is being prepared.
