Staff Induction and Development Policy

At the start of your employment with our Company you are required to complete an induction programme, during which all of our policies & procedures will be explained to you. Information relating to these will be given to you at the induction. You will also be given a team induction, where you will be introduced to the staff who will be working alongside you.

Our policy is to monitor your work performance on a continuous basis so that we can maximise your strengths, and help you overcome any possible weaknesses. This includes a supervision & appraisal scheme which will help monitor staff performance levels with a view to maximising the effectiveness of individuals. You will be informed in advance of your appraisal dates.
